At Buy The Yard Interiors, we want you to feel proud of your home and the investment you've made in window treatments, area rugs and upholstered furniture. We are happy to provide a list of our preferred partners that offer cleaning and maintenance services to help you keep your home and furnishings feeling fresh!

**Drapery Care & Maintenance**

To ensure that your drapes last, regular cleaning is required. If there are allergies or dust sensitivities in your home, it's best to clean draperies annually. Otherwise, every 3 to 5 years should suffice.

**Carpet & Area Rug Cleaning**

Depending on the type of rugs you have, your lifestyle and the type of elements your rugs are exposed to, most carpets and area rugs should be cleaned every 12-18 months, as a general rule. If you have kids or pets, if you wear your shoes in the house, or if you suffer from allergies, you may need to clean your carpets or area rugs more frequently.
